Warned	0	Average Daily Ridership 1995-96	220
High School Graduates:		District Owned Operation	
High School Diplomas-Regular	23		
Other Completions*	0		

* Includes Certificates of Completion, State Diplomas and High School Equivalencies (age 19 & under)

Superintendent's Highlights

This year has been very rewarding in terms of both people and facilities. A committed cadre of professional educators combined with a great group of students produced some well deserved honors for our school. Besides numerous individual accolades, our Science Olympiad Team brought home the Third Place trophy in reward for their dedicated effort.

The new Junior/Senior High School is in the final stages of completion with occupancy expected for the start of the new school year.

Progress Towards Meeting District Goals

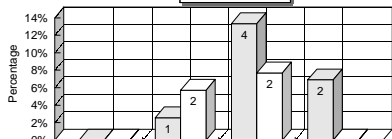

1996-97 Goals	Progress
School completion, student achievement and citizenship	Staff involvement coupled with programs such as Natural Helpers, Kids'Care, Lion's Quest, Impact training and Becoming Capable People were implemented to increase student self esteem.
Teacher education and professional development	All of the Instructional staff and administration completed at least one college technology class, thanks to a grant supplied through the College of Southern Idaho.
Mathematics and science	Our students participated in several competitions including the Science Olympiad, I.N.E.F.L., and the American High School Mathematics Examination. Our team of students placed third in the State of Idaho in the Science Olympiad competition.
Safe Discipline and Alcohol and Drug Free Schools	In addition to the numerous activities during "Red Ribbon Week," our students have access to a Tobacco Awareness Program aimed at the ceasing any tobacco usage.
Parent participation	Volunteers from the community assist our elementary students through programs such as Computer Moms and Listening Grandparents. A computer class designed especially for community members was a tremendous success.
